

Solid Aluminum

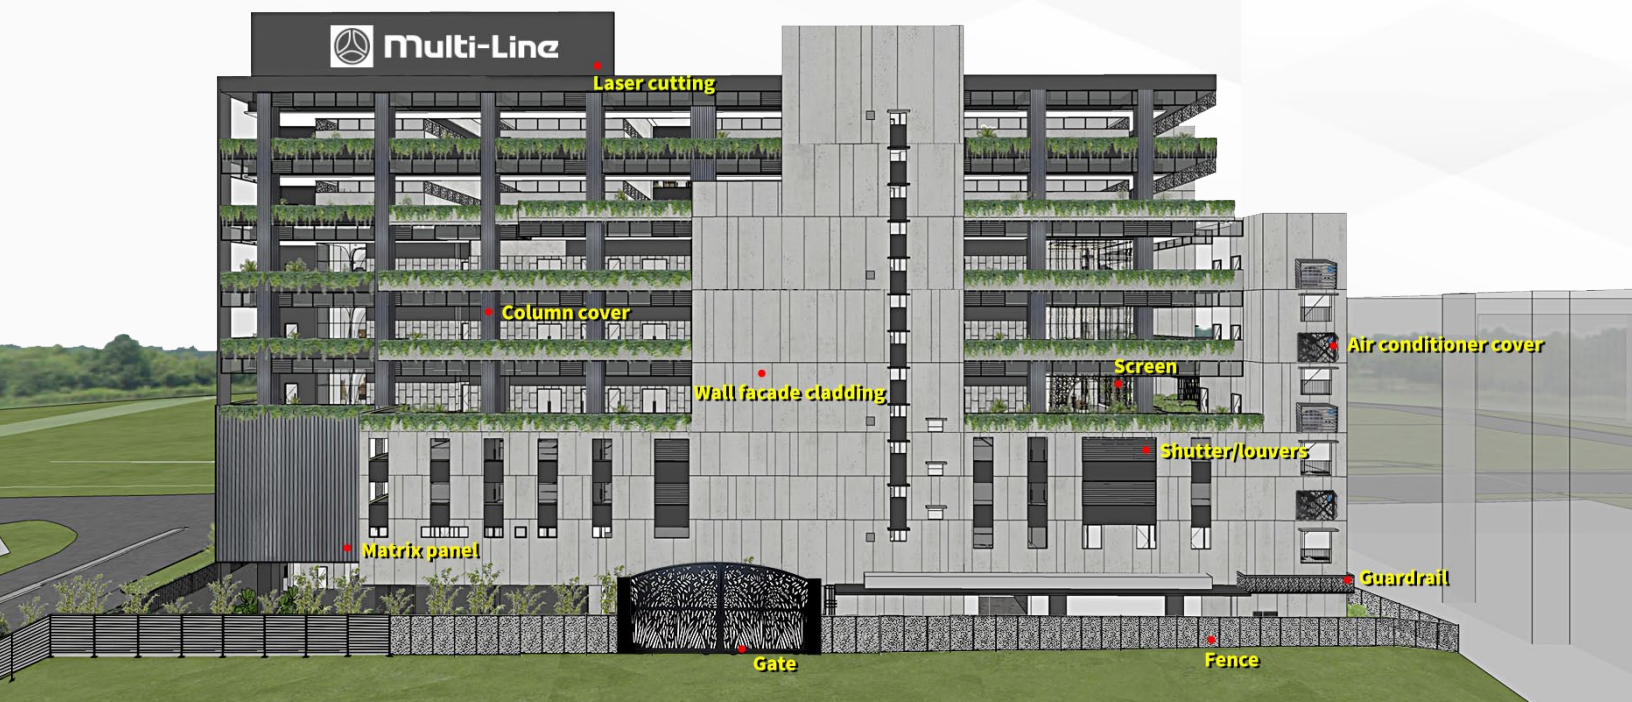

for

**Cladding • Screen Partition
Ceiling • Railing and Handrail
Louvers, Gates and Fences**

What is art? It is the combinations of ideas, materials, technology and creativity.

The artist provides ideas and creativity. As supplier we provide the materials and technology.

The end result: inspiring and lifting up the human spirit to higher levels.

More than three and half decades of building trust.

Through competitive pricing, quality and care.

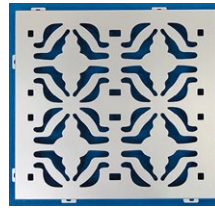

TRUST TECHNOLOGY

Product Details

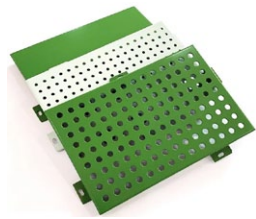

Aluminum Panels

Color: Customized
 Size: Customized
 Thickness: 1.5, 2, 2.5, 3mm
 Material: Aluminum Alloy, Aluminum
 Warranty: More than 5 years
 Technology: Powder spraying,
 Polyester painting & PVDF painting

Laser Cut Panels

Color: Customized
 Size: Customized
 Alloy H24 Thickness: 2mm
 Material: Aluminum Solid Panels
 Warranty: More than 5 years
 Technology: Powder spraying,
 Polyester painting & PVDF painting

Perforated Aluminum Panels

Color: Customized
 Size: Customized
 Alloy H24 Thickness: 3mm
 Material: Aluminum Alloy, Aluminum
 Warranty: More than 5 years
 Technology: Powder spraying,
 Polyester painting & PVDF painting

Wood Grain Panels

Color: Customized
 Size: Customized
 Alloy H24 Thickness: 2mm
 Material: Aluminum Alloy, Aluminum
 Warranty: More than 5 years
 Technology: Powder spraying,
 Polyester painting & PVDF painting

Stone Grain Panels

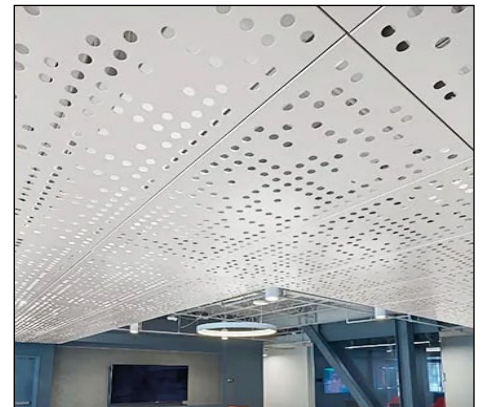

Color: Customized
 Size: Customized
 Alloy H24 Thickness: 2mm
 Material: Aluminum Alloy, Aluminum
 Warranty: More than 5 years
 Technology: Powder spraying,
 Polyester painting & PVDF painting

Product Details

Ceiling Tile

Color: Customized
 Ceiling Tile Shape: Customized
 Material: Aluminum Alloy
 Warranty: More than 5 years
 Surface Treatment: Brushed, Film coated, Roll coated, Spray painted
 Features: Fireproof, Heat Insulation, Moisture-Proof, Mould-Proof, Smoke-Proof, Sound-Absorbing, Soundproof, Waterproof

Grid Ceiling

Color: Customized
 Size: Customized
 Material: Aluminum Alloy, Aluminum
 Alloy H24/H14 Thickness: 0.6mm-1.0mm
 Warranty: More than 5 years
 Features: Fireproof, Heat Insulation, Moisture-Proof, Mould-Proof, Smoke-Proof, Sound-Absorbing, Soundproof, Waterproof

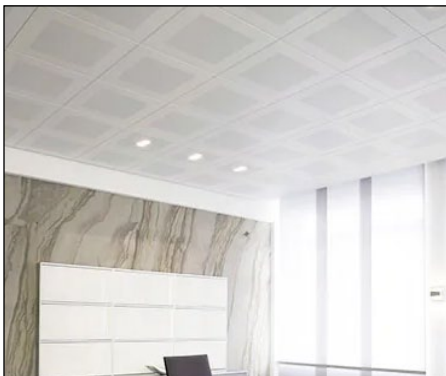

Baffle Ceiling

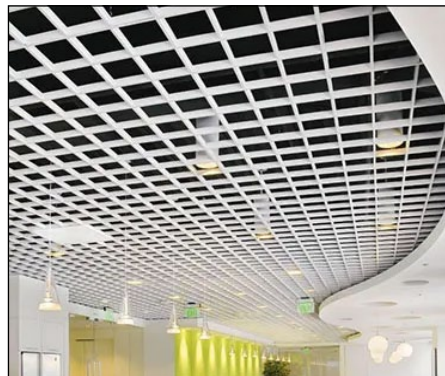

Color: Customized
 Size: Customized
 Material: Aluminum Alloy, Aluminum
 Thickness: 2mm, customized
 Warranty: More than 5 years
 Features: Fireproof, Heat Insulation, Moisture-Proof, Mould-Proof, Smoke-Proof, Sound-Absorbing, Soundproof, Waterproof

Product Details

Color: Customized
 Pattern: Customized
 Material: Aluminum Alloy, Aluminum Alloy
 Alloy Thickness: 2mm/3mm
 Panel thickness: 4.0mm, 6.0mm
 Warranty: More than 5 years
 Frame finishing: Powder Coated

Product Details

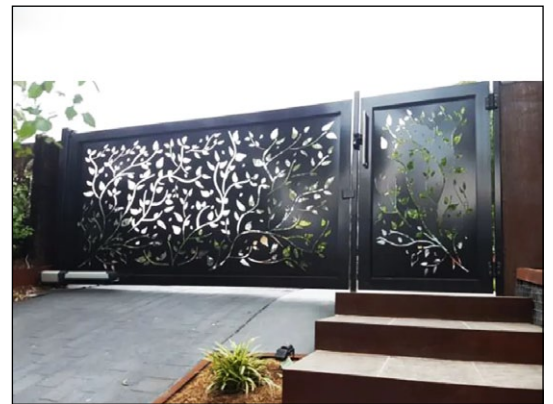

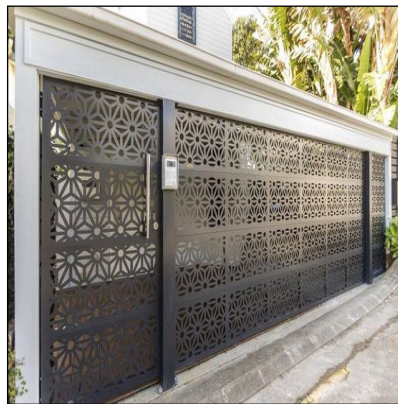

Aluminum Louvers

Size: Customized
 Color: Customized
 Alloy H24 Thickness: Above 2mm
 Material: Aluminum Alloy, Aluminum
 Warranty: More than 5 years

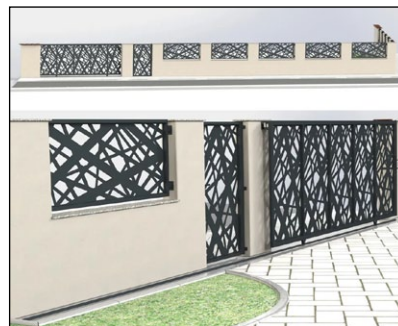

Aluminum Gates

Size: Customized
 Color: Customized
 Thickness: Customized
 Panel thickness: 4.0mm, 6.0mm
 Alloy H24 Thickness: 2mm
 Material: Aluminum Alloy, Aluminum
 Frame Finishing: Powder Coated

Aluminum Fences

Size: Customized
 Color: Customized
 Alloy Thickness: 2.0mm-3.0mm
 Material: Aluminum Alloy, Aluminum
 Frame Finishing: Powder Coated
